STATE LEGION CONVENTION TO BEGIN JULY 4

JACKSON The 36th annual state convention of the American Legion will begin Sunday, July 4, as representatives of Mississippi's largest veterans organization begin to arrive at convention headquarters in Jackson.

About 1500 delegates from every community in the state will assemble to transact business, act on proposed constitutional changes, and elect the officials who will lead the American Legion of Mississippi for the next year.

Two candidates have announced for the state commander's post to succeed Sam W. Waggoner III, Newton. They are T. W. Carr of McComb and W. D. Gordon of Batesville.

Principal speakers include Arthur J. Connell, national commander of the American Legion, Brigadier General John H. Michaelis, one of the outstanding figures of the Korean war, and presently commander of cadets at the United States Military Academy at West Point, N. Y., Richard Arens, special counsel to the Internal Security Subcommittee of the United States Senate Committee on the Judiciary, James F. O'Neill, publisher of the American Legion magazine, and a past national commander of the Legion, and Dr. Ben Hilburn, president of Mississippi State College and a past state

commander of the American Legion. Many other high-ranking officials of the Armed Forces and of the American Legion will be present at the convention. Among these are Glen Nolle, rehabilitation representative from American Legion national headquarters, and all candidates for the position of American Legion national commander.

Social activities to be held in conjunction with the convention will begin with the Legion dance at 9:00 p. m. Monday, July 5.

A Fellowship Banquet for members of the American Legion and the American Legion Auxiliary will be held on Tuesday evening at seven o'clock. A dance will follow the banquet.

Music will be furnished on several occasions by the Kutztown high school band.

The convention is scheduled to adjourn on Wednesday, July 7.

MISS. RANKS SECOND IN TREE FARMING

Mississippi's tree farm stock skyrocketed during the month of May as the Magnolia State attained the rank of second in the nation in the number of tree farms, it was revealed today by State Forester Jim Craig, chairman of the State's Tree Farm Committee.

The Tree Farm Idea was originated the strength of twenty-seven new members joining forces with the Tree Farms System raising the state total to 467. This increase was good enough to push Mississippi past Alabama and within hailing distance of first place Texas, Craig said. The next highest increase was registered by Minnesota which added 13 new tree farmers in May.

The Tree Farm idea was originated in the State of Washington in 1942 and it quickly spread nationwide. The Tree Farms System operates with the idea that trees are a crop. Any certified Tree Farm is pledged to the scientific and systematic growth of trees with the landowner adhering to strict requirements in meeting certain standards, established by the State Tree Farms Committee.

Jack Lott and Conny Weston, both of Kiln, were among those receiving tree farm certificates and signs to be placed along with their names on their farms.

Tacky Party At Shabby Shack

BY RAE COPE

Members of the Blue Jeans Garden Club met Monday, June 21, for their annual "Tacky Party."

Under the swaying moss of the giant oaks of "Shabby Shack" the Clermont Harbor home of Mr. and Mrs. Horace Russ, the group gathered for an afternoon of fun.

Creating interest among all visitors to the Russ home is the name plate "Shabby Shack" which is suspended under a pleasant toned bell atop the entrance gate.

A curving driveway, deep in pine needles, leads to a Mediterranean rose pink modern ranch type home, surrounded by well kept grounds in decided contrast to the name of the dwelling. Native shrubs and trees lend the charm of the Miss. Gulf Coast.

The original structure on the grounds was a week end retreat of the Russ' and "Shabby Shack" was just what the name implied. A secluded easy to keep old fashioned cottage dwelling that proved a haven to the owners on week-end vacations.

Economist To Be Workshop Speaker

McDonald K. Horne, Jr., Chief Economist of the National Cotton Council of America, will speak Wednesday, July 28, at the Mississippi Workshop on Economic Education at the University of Mississippi.

Mr. Horne, who has served as economist and cotton specialist on many important government committees, will speak on "Cotton Economics."

Born in Winona, Mississippi, Mr. Horne, who holds the A.B., M.A., and Ph.D. degrees, was Dean of the School of Commerce and Business Administration at the University of Mississippi until he accepted his present position in 1950. Before joining the University faculty in 1950, he was Managing Editor of the Tupelo Journal.

He is a member of the American and Southern Economic Associations, Phi Delta Theta, Omicron Delta Kappa, Sigma Phi Epsilon, Beta Gamma Sigma, and Delta Sigma Phi. His home is in Memphis.

from their artistic work in the city of New Orleans. The hurricane of 1947 totally destroyed the original structure, and it was replaced by the artistic and modern home now occupied as a permanent residence by Mr. and Mrs. Russ. The original name of their home had so intrigued two friends that it was used again to identify the new home. Buried on the reverse side of the wooden name plate are two words that bring a feeling of cheer to departing guests: "Hurricane Back" and the hospitable couple mean just that.

Mrs. Abbie Bing won first prize at the party for her costume. Games were played and refreshments served.

To Camp Caraywa

Rev. Schuyler Batson, pastor, First Baptist Church, is scheduled to be at Camp Caraywa near Clinton next week where he will be on the program of the annual Mississippi Baptist Pastors Assembly.

The Rev. Mr. Batson will preach the invocation on "My Favorite Text" Acts 9:19.

The annual meeting will begin Monday afternoon and adjourn at noon Saturday.

FIRST ANNIVERSARY OF KILN YOUTH CENTER TO BE OBSERVED JULY 2

The Kiln Youth Center baseball team will sponsor the celebration of the first anniversary of the Kiln Youth Center with an anniversary dance and softball game to be held at the center Friday, July 2, at 8:30 p. m.

Music for dancing will be furnished by One Hands and his hillbilly band. Pastor Charles, pastor of the Annunciation Church at Kiln, announced donations of 50c and 25c for the occasion would be gratefully received.

CONTROL OF SOUTHERN PINE BEETLE EPIDEMIC

District Ranger Alvin Z. Owen of Glenwood, Miss., received a superior service award from the Department of Agriculture in Washington for meritorious performance of duties in directing control of the Southern Pine Beetle epidemic in the Monoclitto District of the Mississippi National Forest.

It was estimated that the work directed by Owen has instrumental in saving 75 million board feet of pine timber and pulpwood from beetle attack and subsequent loss in value.

Scarborough Shoulders Load In Seniors-Kiln Tilt Sunday

Billy Scarborough slammed out two triples, a dramatic home run and hurled masterful relief work as the Bay Seniors defeated the Kiln Youth Center 11-8 Sunday afternoon at the local ball park.

Kiln scored three times in the first inning on a hit batter, walk, a single and two errors and seemed well on the way to another upset over the Bay team.

The Seniors went ahead in their part of the first as Bell and Ladner walked, Artigues doubled and Scarborough tripled.

Kiln again scored three times and in the second two hit batters two walks and errors gave them unearned runs to put them ahead 6-4. The Seniors tied the game in the third as Scarborough tripled, Strong walked, Gonzales singled and Monti doubled.

The fourth inning saw real hitting as Huey Henley with a teammate on knocked one of Senior pitcher Christopher Bell's curves over the right field fence to put Kiln ahead 8-6. Then Bill Scarborough, with Artigues on first, hit a home run over the same fence. Henley had hit his.

This again tied the game and Scarborough took over mound duties.

Bell had allowed only two hits in

his four innings of pitching but seven walks and four hit batters kept him in trouble. Scarborough held Kiln hitless the rest of the game, with only two batters reaching first base.

In the sixth the Bay Seniors exploded for three runs on walks and singles by Ladner and Strong.

Russell Mitchell hurled the complete game for Kiln, allowing ten hits.

Kiln YC Drops Two On Sat. Road Trip

The Kiln Youth Center dropped both their out-of-town contests Saturday as they were topped 7-1 by Poplarville and 8-1 by the Pine Hill Seminary.

In the morning tilt Kiln collected only three hits off the hurling of Poplarville Recreation Department's Jack Holiday. Holiday also added to his cause by slamming a first inning homer with a mate aboard.

Huey Henley kept Kiln from being shut out when in the last inning he collected his second hit, a lone home run to center field.

Larry Ladner started on the mound for Kiln and was relieved in the 4th by Russell Mitchell.

Adding to Poplarville's scoring was six errors by the Kiln fielders.

In the afternoon contest Kiln was handed an 8-1 setback by the Oblato Fathers of the Pine Hill Seminary.

Father Floyd Berkman hurled five hit ball for the Seminary as Ladner and Mitchell again teamed up. Ladner received credit for both losses.

Pine Hill also was aided by Kiln errors. With two out in the second and the sacks full, an outfield fly was misjudged and Pine Hill tallied 4 big runs.

BILOXI LEGION NIPS SENIORS 7-6 MON.

The Biloxi American Legion junior baseball squad edged past the Bay Seniors 7-6 Monday night at the Lee Street Park in Biloxi as the Legion nine scored an unearned run in the bottom of the sixth.

Biloxi first scored in the second inning when with two out and the bases full Seniors pitcher Billy Scarborough weakened and walked in two tallies.

Two innings later the Bay Seniors rallied for six big runs on two singles, five walks off Biloxi starter Ronnie Corso and a Biloxi error.

However, Biloxi collected two hits in their part of the fourth and, along with four walks, tied the contest 6-6.

In the bottom of the sixth Biloxi third baseman George Misko, who had committed both Biloxi errors, walked, stole second, went to third on a wild pitch and with two out came in on an infield error.

Eddie Carron relieved Corso in the fifth and hurled masterful ball as he struck out 8 and walked 1. Bobby Ladner's single was the only hit Carron allowed.

Scarborough gave up only 4 hits, but touches of wildness proved fatal. This was Biloxi's 6th win against 2 defeats. It was the Seniors' 6th defeat with five victories.

Sportsmen Reminded: Hunting, Fishing Licenses Expired Yesterday, June 30

JACKSON, Miss.—Sportsmen are reminded that fishing and hunting licenses expired June 30, Wade Cressmore, Director of the Game and Fish Commission, said today. Licenses for the current year may be purchased from bonded agents, from county sheriffs, or at the commission's office in

the state office building in Jackson.

The resident hunting and fishing license was increased from \$3 to \$4 during the last session of the legislature, and the tourist fishing permit was increased from \$1 to \$2. The tourist fishing permit is good for

days instead of 3, as formerly.

Other changes made by the legislature were reductions in annual non-resident all game hunting licenses from \$50 to \$25, and annual non-resident small game hunting licenses from \$25 to \$15.

Non-residents can buy a 3-day small game hunting permit for \$5.

STEVIE STIEFFEL IS 'FOUR LETTER' MAN AT CAMP ST. PAUL IN COVINGTON, LA.

Young Stephen Stieffel, son of Mr. and Mrs. Ray Stieffel, has been

reaping laurels in all athletic events at Camp St. Paul, Covington, La., which he has been attending the last several weeks.

Among an enrollment of 150 boys, Stevie was one of eight selected to participate in the swimming and diving meets.

He won first place in the jackknife diving and second in the high diving events.

In swimming he won first place

ribbons, and in softball and boxing he has been selected as one of the outstanding players and boxers of the entire camp.

He also placed second among 22 contestants in the pool contest.

In a talent show he placed second with an exhibition of three piano selections.

Stevie was visited Sunday by his parents, who were able to root for the team Stevie pitched to victory in the Allstar softball game that day.

While checking a battery below the front seat, I found enough loose money to pay for the oil change. That was sure a happy customer!

CONGRESSIONAL SIDELIGHTS

by CONGRESSMAN WM. M. COLUMER

GI BILL ANNIVERSARY

The most generous program a grateful people anywhere ever provided for its returned war heroes reached its tenth milestone last week. In 1944 the Congress remembered the problems faced by returned veterans of World War II and decided to make up as well as it could for the disrupting of the plans and the lives of so many young men during World War II, by passing the measure familiarly known as the GI Bill of Rights. I am proud of my contribution as a Member of Congress to the enactment of this legislation.

On the anniversary the Veterans Administration, which was charged with the responsibility of administering the program, reviewed its ten-year stewardship. Its statement, in part, follows: "The GI Bill, a law that has left its lasting impact on the lives of millions of veterans and in America itself, reached its tenth anniversary today."

The law, signed by President Franklin D. Roosevelt on June 22, 1944, contained three major benefits to help veterans in readjustment to civilian life.

One was a program of guaranteed loans for homes, farms and businesses. It still is in force. Another education and training at Government expense, is approaching its end. The third, readjustment allowances for periods of unemployment, already has faded into history.

"On signing the GI Bill in 1944 the President said 'this law gives em-

phatic notice to the men and women of our armed forces that the American people do not intend to let them down."

"But veterans have not let down the American people, either according to statistics released today by the Veterans Administration."

"Through the GI Bill, World War II veterans have become the best educated group of people in the history of the United States."

"Because of their training, they have raised their income level to the point where they now are paying an extra billion dollars a year in income taxes to Uncle Sam."

"At this rate, GI Bill trained veterans alone will pay off the entire \$15 billion cost of the GI education and training program within the next 15 years."

"Through the GI loan program, veterans have proved themselves to be among the best financial risks in the country."

"With the help of GI loans, they have become America's largest single group of home-owners. Therefore, they pay more real estate taxes to states, cities and counties than any other group of equal size."

"During the last 10 years, a total of 3,600,000 veterans—one out of every five men and women who served in World War II—obtained VA-guaranteed and insured loans valued at \$23.5 billion."

Home loans accounted for the 60 percent of all GI Bill loans obtained by veterans—or 3,300,000 for \$22.8 billion. Farm loans numbered 60,000 for \$250,000,000; business loans, 213,000 for \$575,000,000.

The average veteran used his GI loan to buy a substantial, middle-priced home, neither a "cracker-box" nor a mansion.

"Veterans' record of payment is unmatched," VA said. "Over the last decade, 650,000 GI loans, amounting

Will Speak At Miss. Workshop

Ros Brown, president of Mississippi Press and Light Company, will speak at the Economic Development Workshop on July 14.

Ros Brown, president of Mississippi Press and Light Company, and chairman of the Mississippi Economic Development Council, will speak at a session of the Mississippi Workshop on Economic Development at the University of Mississippi on July 14. His subject will be, "New Approaches to Economic Development."

Mr. Calderwood has taken a leave of absence from Ohio State University, where he is Associate Professor of Economics, to serve with the Committee for Economic Development in New York.

He has taught at Michigan State College, the Air Force Institute of Technology, Pennsylvania State University and the St. Louis University. He has served the United States Government in the Department of Agriculture, and as lecturer at United States Information Centers in Germany.

Mr. Calderwood's new book, "International Economics: Introductory Analysis and Policy," will appear shortly. He is co-author of two other books on economics and has contributed numerous articles and book reviews to journals and periodicals.

To \$3 billion, have been repaid in full. Defaulted loans—on which VA has made good the guaranteed portions to private lenders—numbered only 32,000, or less than one per cent of all loans received by veterans.

"Turning to GI Bill education and training, VA revealed that more than 7,500,000 World War II veterans—half of all who served during the war—trained under the GI Bill over the last ten years. Of the total, 2,200,000 attended colleges and universities."

350,000 went to schools below the college level, 1,400,000 took one-the-job training, and 700,000 enrolled in institutional on-farm training, a combination of classroom work and practical experience on the farm. Included in the below-college level are 150,000 who were given the chance to learn to read and write in accelerated grade school classes for adults.

"America's veterans have trained for nearly every occupation at which man earns a living. As a result, VA said, the GI Bill has helped fill the nation's reservoirs of trained manpower, dangerously depleted right after the war."

"Among the veterans' trainees are 450,000 engineers, 180,000 doctors and nurses, 113,000 scientists, 243,000 accountants, 107,000 lawyers, 36,000 ministers representing all major religious faiths, 17,000 writers and journalists."

"Also 438,000 television and radio repairmen, 711,000 mechanics, 383,000 construction workers, 288,000 metalworkers, 138,000 electricians, 83,000 barbers and beauty culturists, 83,000 policemen and firemen, 45,000 bakers and meat cutters, 61,000 printers and typesetters, 76,000 dressmakers and tailors, and hundreds of thousands of others in many fields."

"An increase field of Lee is being grown in each Yazoo-Mississippi Delta county this season. Growers interested in planting Lee for seed production in 1955 should contact county agents of the Delta Station at Stoneville."

NEW LEE SOYBEAN RESISTS DISEASE, HOLDS SEED WELL

Lee, a new soybean variety with a highly desirable characteristics, was officially released June 1 by plant breeders in the US Department of Agriculture in the 12 southeastern experimental stations.

"An increase field of Lee is being grown in each Yazoo-Mississippi Delta county this season. Growers interested in planting Lee for seed production in 1955 should contact county agents of the Delta Station at Stoneville."

VEGETABLE GROWERS REPORT

The shipping sheds have wound up the cabbage deal and are now engaged in handling the bean deal which is about at its peak now and will run for about two weeks yet.

Tomato crops are maturing rather slowly as the cool days of early May checked progress in fruiting and growth of tomatoes. A few tomatoes may be ready in a week or ten days but the main harvest will begin the middle of June and last three or four weeks.

NEW LEE SOYBEAN RESISTS DISEASE, HOLDS SEED WELL

Lee, a new soybean variety with a highly desirable characteristics, was officially released June 1 by plant breeders in the US Department of Agriculture in the 12 southeastern experimental stations.

"An increase field of Lee is being grown in each Yazoo-Mississippi Delta county this season. Growers interested in planting Lee for seed production in 1955 should contact county agents of the Delta Station at Stoneville."

LUNCH PROGRAM

E. E. Breland, County Superintendent of Education, received the following information from W. S. Griffith, State Supervisor of the School Lunch Program.

During the 1953-54 school session Hancock County received a total of \$23,419.24 worth of commodities based on a wholesale purchase price. On a breakdown a total of \$4,434.66 worth of canned fruits and vegetables were received and a total of \$18,984.58 in meats, dairy products, shortenings, pecans and honey.

The US Department of Agriculture and the State Department of Education are responsible for these contributions to the School Lunch Program.

Such a program is surely that every child in the State is well nourished at a minimum cost, and is a prime factor in health and mental development of children.

LONG-TERM SUBSCRIPTIONS RECEIVED FOR THE CREDIT OF CONTESTANTS THIS WEEK POSITIVELY COUNT FOR MORE VOTES THAN EVER AGAIN!

CONTESTANTS. WORK NOW IF YOU WISH TO WIN

HERE'S HOW TO WIN

Started Saturday, June 26, and ending this Saturday night, July 3, the Contest Department of this newspaper is issuing 12,500 extra votes on each and every 5-year subscription to the Hancock County Eagle (only \$9.00) during the contest or extension of previous contest subscription payment to the full 5-year limit, as stated in opening announcement of contest.

This is to be the ONLY EXTRA VOTE OFFER of the entire contest. Remember that and lay your plans accordingly. NEVER AGAIN will it be possible to secure as many votes on "full limit" subscriptions as during above mentioned dates.

Here's an opportunity, surely, for ANY and ALL contestants who are seriously contending for the BIG prizes to increase their vote totals enormously and build up insurmountable reserve strength. Not to take FULL advantage of this extra vote offer while it is in effect simply means throwing golden chances away for the IMMEDIATE OWNERSHIP of that beautiful new FORD V-8 SEDAN worth exactly \$2,721.30 grand capital prize.

Just five weeks from this Saturday will see the most aggressive contestants in the race the proud possessors of the rich and valuable prizes listed below:

'Men of the Fighting Lady'
At Star Theatre Sun, Mon.

Van Johnson, Walter Pidgeon, Louis Calhern, Dewey Martin, Keenan Wynn and Frank Lovejoy head the all-star cast of "Men of the Fighting Lady," pulse-tingling MGM drama at the Star Theatre Sunday and Monday.

The new picture, filmed in Anso Color, unfolds a story of a squadron of US Navy jet pilots over Korea, with its action centering on the heroic exploits of the squadron's personnel and rising to a suspense-filled climax in an episode in which a critically wounded pilot is "talked down" into a successful carrier-deck landing by his wing man.

of Korea," and Commander Harry A

"Men of the Fighting Lady" is based on James A. Michener's Saturday Evening Post Story, "Forgotten Heroes Burns." "Case of the Blind Pilot," also printed in the Post and reprinted in Reader's Digest.

Van Johnson follows up his hit in "The Caine Mutiny" with the role of Lt. Howard Thayer. Walter Pidgeon plays Comdr. Kent Dowling, Flight Surgeon with the US Task Force. Louis Calhern is seen as the famed author, James A. Michener. Dewey Martin plays the role of Ensign Kenneth Schlechter.

Keenan Wynn is Lt. Comdr. Ted Dodson, veteran of World War II, called back into service for another tour of duty. Frank Lovejoy enacts Lt. Comdr. Paul Grayson, squadron leader whose "Follow me" orders lead to almost suicidal low-level attacks on the enemy.

Mr. and Mrs. N. L. Carter arrived at their Waveland home Saturday after returning Friday to New Orleans from an extended European tour.

Attend Graduation

Mrs. Ethel Garcia and daughter, Joyce, returned last Friday after attending the graduation of Ronald Garcia in Metuchen, New Jersey.

Graduating from the Brothers of the Sacred Heart House of Studies with Ronald were Anthony Benigno, also of Bay St. Louis, Joe Kerney and Charles Heine of New Orleans and Donald Dickerson from Mobile, Ala. The graduation was held in the chapel on Sunday, June 13 at 2:30 p.m.

Mrs. Garcia and Joyce were joined by Mrs. Anthony Benigno and Miss Josephine Benigno in Newark, New Jersey. They continued to Meachen together.

Several days were spent in Meachen visiting the boys.

On August 15 the boys will enter the army and Joe Kerney went to New York City and spent the day shopping and sightseeing.

County ASC Committee
FARM NEWS

Secretary of Agriculture Ezra Taft Benson today announced several important changes in regulations governing the election, qualifications and duties of county and community agricultural and conservation committees.

Major changes would be:

1. Create county and community election boards which would conduct the annual elections of committees.
2. Limit to three the number of consecutive terms a farmer may serve as a county or community committee member, except that where all three members of the county committee already have served three consecutive terms, any member shall be eligible for election to one additional term.

3. Prohibit officials of general farm organizations from serving as members of county ASC committees.

4. Prohibit county committees from acting (a) as sales agents or employees of the Federal Crop Insurance Corporation; (b) marketing quota review committees and (c) as employees of their own county offices.

Other revisions in the regulations provide for the removal of county and community committees, county office employees, and election board members only by a majority vote of the State ASC Committee. A majority vote was not required under previous regulations.

Provision is also made for the right of appeal by ousted committees or election board members to the state ASC Committee and to the Deputy Administrator for Production Adjustment Commodity Stabilization Service. Heretofore, appeals beyond the State Committee were not provided by regulation.

"These changes are the outgrowth of a year's study of the entire system," Secretary Benson said. "They represent the combined thinking of farmers themselves. State and county committees and administrators within the Department who have been closest to the problem."

"The regulations are designed to strengthen farmer control of local program administration, to stimulate more extensive farmer participation in community elections, and to encourage more farmers to serve as community and county committee members."

"To insure fair and impartial community elections, provision is made for the election of a county election board, consisting of the county agent as chairman and the heads of the Soil Conservation Service office and the Farmers Home Administration Office as well as the heads of each general farm organization operating within the county. This board will designate three-member community election boards consisting of farmers who are incumbent county or community committee members. The community boards will conduct, without compensation, the annual election of county committees and delegates to county conventions."

The Secretary pointed out that the limitation of three consecutive terms for committee members is expected to encourage "broader participation in community elections by many more farmers than has been true in the past."

"The prohibition against farm organization officials serving as county committee members is designed to prevent any possible domination of a public agency by a private agricultural group," Secretary Benson said. "This provision was adopted to insure that the farm will be run by farmers, who have in turn been elected by farmers."

"County committees will no longer be eligible to serve as employees of their own county offices because grass roots experience shows that in 87 per cent of our counties better administration has resulted when the policy-forming function is vested in the county committee and the policy-executing function is delegated to a full-time office manager, hired by and responsible to the county committee."

All the World Loves the

Love-time musical...

Sigmund Romberg's

rollicking,

rousing romance

of a Prince who'd

rather make love

than history!
